*Cecil County Commissioner*

**Carolann Wicks**  
*Delaware Dept. of Transportation  
Secretary*

**WILMAPCO Executive Director**  
Tigist Zegeye

## **MEMORANDUM**

**To:** Tigist Zegeye, Executive Director, WILMAPCO  
**From:** Bill Swiatek, Senior Planner, WILMAPCO  
**Date:** February 10, 2011  
**Re:** FY 2012-15 TIP / 2040 RTP Conformity Determination

The WILMAPCO Air Quality Subcommittee has reviewed all projects found in the FY 2012-15 TIP and 2040 RTP and discussed their air quality impacts. The group found that these projects do not trigger new regional emissions analyses. No new regionally-significant projects were added in the FY 2012-15 TIP and 2040 RTP and the modeled horizon years of existing regionally-significant projects remained intact.

Therefore, the FY 2012-15 TIP and 2040 RTP conformity determination will rely on the FY 2011-14 TIP / 2040 RTP regional emissions analyses, adopted by the WILMAPCO Council on January 13, 2011. Additionally, in compliance with federal regulations regarding fine particulate matter (PM<sub>2.5</sub>), the DVRPC Board reaffirmed their PM<sub>2.5</sub> conformity analysis on January 27, 2011.
