Project website: www.wilmapco.org/Churchmans/

18:05:03 From Bill Dunn to Hosts and panelists:

Don't see the expansion of lower Churchmann's Road.

18:08:43 From Priya D (she/her) to Hosts and panelists:

Is there somewhere we can see details on the non-mapped transportation projects referred to on slide 27? Thanks.

18:11:10 From Stephanie Everett to Everyone:

18:48:29 From Daniel Paschall, ECGA (he/him) to Hosts and panelists:

Email as a medium for info

18:51:26 From Barry Shotwell to Hosts and panelists:

Where can I get very specific details about the option GG, "Christiana Bypass"?

18:51:43 From Cameron Wolfson to Hosts and panelists:

1) Where can we find information on dates for when the TID will be implemented? 2) Related, is there an expected date that the TID will be fully implemented?

18:52:53 From Bill Dunn to Hosts and panelists:

No, south of I-95

18:57:01 From Bill Dunn to Hosts and panelists:

I was referring single lane traffic south of I-95 down to Airport Rd. with a 800 home development at Cavaliers and a connection road from the Fashion center

19:04:16 From Jaime Vargas to Hosts and panelists:

Regarding the schedule, would this plan and its projects be able to get approved and included in the TIP in time, so some of the projects could benefit from the Infrastructure Bill proposed by President Biden's administration?

19:10:09 From Stephanie Everett to Everyone:

DeIDOT TID website: <https://deldot.gov/Programs/transportation-improvement-districts/index.shtml?dc=resources>

19:10:45 From Bill Dunn to Hosts and panelists:

What was included in the model for southern Churchmann's road? Was the Fashion center connection included? Cavalier's development???

19:12:35 From Priya D (she/her) to Hosts and panelists:

Thanks for the draft info. As Harmony Road between SR4 & 2 is listed as a LTS 3 route, are there any plans to improve that route for bicyclists & pedestrians?

19:21:45 From Jaime Vargas to Hosts and panelists:

Thank you - Great Job!
