

DOWNTOWN CIRCULATION STUDY

Wilmington Initiatives

WE'VE GOT ISSUES

TRANSPORTATION

The Downtown Circulation Study (DCS) is entering its seventh month. We have reviewed past studies, gathered traffic data, discussed transit operations, interviewed key stakeholders, and collected public feedback at a December 2008 public workshop.

We need your feedback on the transportation issues that have been identified in Downtown Wilmington.

Please join us at this workshop
and let us know what YOU think!

PUBLIC WORKSHOP

Thursday, March 19, 2009

Stop by anytime from 4PM to 7PM

Citizens Bank Center, 919 N. Market Street
Wilmington, DE 19801

Brief presentation repeated at 4:15, 5:15, and 6:15

Wilmington Initiatives has launched a study to evaluate the transportation network in Downtown Wilmington, DE. For more information, please visit

www.wilmapco.org/Downtown

(Wilmington Initiatives is a partnership between the City of Wilmington, DeIDOT, DART, and WILMAPCO)
