Draft Recommendations

Elkton Signage Study

 **Goal: Limit through trips along MD 268**

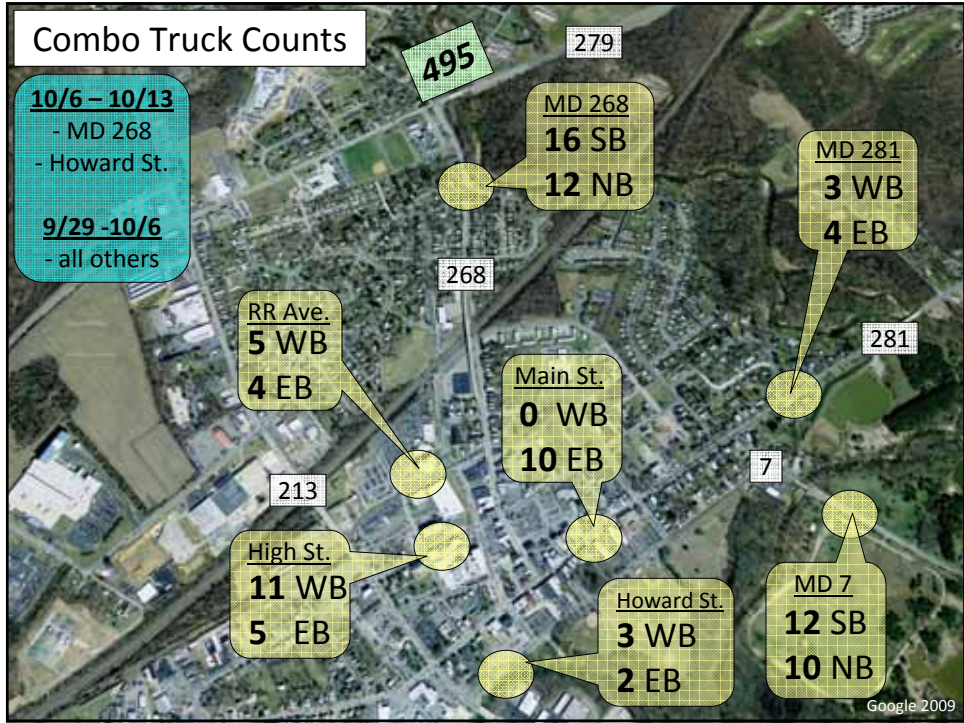

- Truck restrictions
- Signage improvements
- On-board navigation system (GPS) alteration

 **Planning Process**

- Signage inventory
- Identify restrictions / alternatives to MD 268
- Supplement existing truck data
- Consider freight bottleneck
- Consider public input
- Restriction / signage recommendations
- Request alterations to truck GPS data

Draft Recommendations

Elkton Signage Study

Alterations to truck GPS data

- Trucks can be restricted at Town's request
