

Daily Combination Truck Volumes*

Downtown Elkton, MD

Draft

*WILMAPCO counts for downtown Elkton represent the average weekday volume. The MD 268 and Howard St. counts were completed between 10/6/09 -- 10/13/09. All other WILMAPCO counts were made between 9/29/09 -- 10/6/09. MD-SHA counts were collected between 2005 -- 2007. Combination (or Combo) Trucks are those of FHWA Classification 8 (two or more units) and above.

**Unit trucks are those with a FHWA Classification between 5 (two or more axles, six or more tires) to 7 (four or more axles on a single unit).
