BRIDGING I-95: CONNECTING THE COMMUNITY

Let's make a vision for the future of I-95

When I picture the future of this place, I envision...

*When picturing the future of this place, the community envisions a place for everyone that is **safe, walkable and colorful**. This includes **well-lit, well-maintained programmed areas** that prioritize **sustainability, native plantings**, places for families and community members to **play and exercise** comfortably, and that **celebrates the history of the neighborhoods**.*

Where do you walk or bike? Where **would you walk or bike**, if you could?

■ I CURRENTLY WALK HERE ■ I WANT TO WALK HERE ■ I CURRENTLY BIKE HERE ■ I WANT TO BIKE HERE

I-95 FEASIBILITY STUDY *Early Approaches*

These Early Approaches were developed by the project team from the ideas and comments collected during the community visioning sessions in November 2021 and January 2022. They were presented for comment at the 2nd Community Workshop on April 19, 2022
