

Newark Transportation Plan

PURPOSE: We are seeking your thoughts on draft recommendations for the Newark Transportation Plan. The City of Newark and Wilmington Area Planning Council would like your help in identifying transportation problems and needed improvements for Newark. Please return comments by December 22.

What proposed recommendations do you like the most, and why?

Do you have concerns about any proposed projects? If so, please describe.

What additional transportation problems or possible solutions should we consider?

Please provide us with any comments that will assist us in Newark transportation planning.
