Cecil County and Town of Elkton In-Kind Agreement for WILMAPCO FY 2020 Unified Planning Work Program (UPWP)

Cecil County and the Town of Elkton agree to contribute up to \$8,207 of in-kind match towards the Cecil County, Maryland portion of the WILMAPCO FY 2020 UPWP's tasks from July 1, 2019 to June 30, 2020.

The agreement will outline 1) Cecil County and Town of Elkton staff members by name and rate that will contribute in-kind match hours; 2) Specific UPWP task numbers and 3) The projected number of hours each staff member can expect to spend on specified tasks for the entire UPWP performance period.

Per 23 CFR 420.119b, this agreement and supporting documentation needs to be approved by the FHWA Delaware Division Administrator on an annual basis in coordination with the proposed FY UPWP. Further, the same regulation states that if the total amount of the third party expenditures at the end of the program period is not sufficient to match the total expenditure of Federal funds by recipient/sub-recipient, the recipient/sub-recipient will need to make up any shortfall with its own funds. The third party costs (i.e. salaries, fringe benefits, etc.) are allowable under the applicable Office of Management and Budget (OMB) cost principles (i.e., OMB Circular A-21, A-87, or A-122).

Based on supporting calculations and documentation WILMAPCO, Cecil County and the Town of Elkton have identified up to 140 hours of in-kind match service hours for a total of up to \$ 8,207 in match value during the FY 2020 UPWP performance period from July 1, 2019 to June 30, 2020.

(See attachment "Cecil County and Town of Elkton in-kind Contribution" for details on the breakdown by task)

*Rate represents the amount the activity would cost if contracted out (not necessarily the staff member salary).
