US 40 Widening, Salem Church Road to Walther Road ***Online Virtual Public Workshop: May 18 - June 17, 2020***

The Delaware Department of Transportation (DelDOT) is seeking public input on the proposed widening of US 40 from four to six lanes between Salem Church Road and Walther Road in Newark, New Castle County. The proposed project was identified as part of the Route 40 Corridor 20-Year Transportation Plan to address traffic safety and congestion. The purpose of this workshop is to present the preliminary design and update the public on the final design and construction schedule. Display plans and project information will be provided in .pdf format for public review and comment. Attendees will also have the option to download materials from the site.

The public will be able to access the site and provide comment for a 30-day period beginning May 18, 2020. In addition, a live virtual workshop will be conducted on June 4, 2020. Presentations will be conducted at 4:00 pm and 5:30 pm that night. Following the presentations, there will also be an online question and answer session. Project team members will be available during that time to answer project related questions.
