2030 Regional Transportation Plan

Transportation Investment Areas

Center - Municipal areas; highest concentrations of population and/or employment

Core - Municipal and non-municipal areas; densely settled population and employment patterns.

Community - Areas with well-established land uses and development patterns; growth and development pressures are expected to be moderate.

Developing - Areas where land uses and development patterns are not yet set and where they continue to emerge.

Rural - Areas where limited growth and development exist or are expected.
