## PARTNERS IN ADVANCING FREIGHT TRANSPORTATION ALONG THE DELMARVA

The 2013 Delmarva Freight Summit is a half day forum to bring together both public and private sector freight professionals to focus on the needs and interests of freight movement across the Delmarva Peninsula.

Scheduled speakers include Jack Wells, Assistant Secretary for the US Dept. of Transportation as well as industry experts who will highlight the region's chemical supply chains, along with presentations by agencies involved in the safe and efficient movement of these materials along the transportation system.

Other speakers will present topics including the Delmarva Freight Study, a multi-state effort to develop a comprehensive, multi-modal evaluation of the freight transportation system and its operations along the Delmarva Peninsula. Trinity Logistics, IHS/Global Insight and APPI Energy are also scheduled to speak.

The summit is free, but registration is required. To register, go to: [www.wilmapco.org/delmarva](http://www.wilmapco.org/delmarva).
